Securely situated in the heart of the historic “Belhaven District,” Belhaven College is central to a neighborhood filled with classic homes, stately pines and Mississippi history. At Belhaven, our standard in all things is Christ. We believe faith shapes our view of the world, and for that reason, core classes are linked together, connecting all the major disciplines through art, history and culture, and illustrating the Christian worldview in a way no other college offers.

Belhaven is a private, Christian, liberal arts college in Jackson with campuses in Memphis, Tenn., Orlando, Fla., and Houston, Tex., as well as online through the virtual programs. Established in 1883, Belhaven’s vision is “to prepare men and women academically and spiritually to serve Christ Jesus in their careers, in human relationships and in the world of ideas. Choose from 27 majors and earn one of eight bachelor’s degrees, and if you decide to pursue graduate school, then one of Belhaven’s four master’s degrees could be the right fit.

With 1,021 traditional students and a 12:1 faculty ratio, students receive a personal, relational approach to education. If you’re looking for activities, you will find plenty of options on our 42-acre campus: besides athletics and the arts, we have the Belhaven Student Leadership Council, Christian ministry organizations, eight national honorary societies and over 14 other student organizations ranging from the College Republicans to the Belhaven Activities Team, which fosters community on campus through fun activities.

At Belhaven, our size is an asset to the diverse student population, allowing you the opportunity to meet a distinct and varied group of people within a close community. Develop relationships from coast to coast and continent to continent. From Mississippi to Zimbabwe, your knowledge of new and exciting cultures and customs will expand—whether it’s over sweet tea or safaris.

Belhaven has been listed in “America’s 100 Best College Buys,” *U.S. News and World Report’s* “America’s Best Christian Colleges” and in “The Templeton Guide: Colleges That Encourage Character Development.”

meet the people, you understand the values and commitment and innovation we have on our campus. It is unlike any other college in America,” says Belhaven president Dr. Roger Parrott.

That innovation and dedication is reflected in the school’s arts programs and new online

degree program. Belhaven is one of only 30 schools in the U.S. to receive national accreditation for all four departments in the School of Arts, putting Belhaven on par with schools such as Florida State University and the University of Arizona.
